

have started asking people to turn off their phones before the film starts but this hasn't solved the problem. We are thinking of banning mobile phones from our cinema in the future and would be interested to hear your view on this. Do you have any other suggestions?

Như bạn đã biết, các buổi chiếu phim hàng tuần của chúng tôi rất nổi tiếng. Tuy nhiên, chúng tôi đã nhận được một số phản nàn về việc mọi người (người sử dụng) sử dụng điện thoại di động của họ trong quá trình quay phim. Chúng tôi đã bắt đầu yêu cầu mọi người tắt điện thoại trước khi phim bắt đầu nhưng điều này vẫn không giải quyết được vấn đề. Chúng tôi đang nghĩ đến việc cấm điện thoại di động đến rạp chiếu phim của chúng tôi trong tương lai và rất muốn biết quan điểm của bạn về vấn đề này. Bạn có gợi ý nào khác không?
